

Implementing GDPR

Jane and Mandy are going to the training in Kingston on the 23rd April.

1. We need to do a data audit – Appendix 3 of Diocesan Tool Kit
2. We need to agree a General Privacy Notice to go on the Website and a role holders notice. – Model in appendix 5
3. The Role holders privacy notice should be issued to anyone holding a role in the parish.
4. What training do we need to give to staff and volunteers?
5. We need to adopt and maintain documents that demonstrate that the PCC is compliant with the law.
6. We need consent to contact people about anything except what they explicitly gave their consent for.
7. Do we need to update the Welcome cards?
